What's Your Trail Sign?

Make your own trail sign.

Trail signs guide you along a path and show you which way to go. Think about what type of trail signs you want to make. Will you use natural materials, special symbols you draw, or a combination of both to mark the way? Then, share the fun with your friends and family by marking a trail for them to follow.

Sketch your trail sign(s) below.

Left Turn

Right Turn

Wrong Way

Bonus: Draw a secret sign or symbol to mark your path.
